

RE: Statement of Material Origin (BSE/TSE) Statement for all catalog and custom manufactured products.

To Whom It May Concern:

Intermountain Life Sciences manufacturing location is an Animal Origin Free (AOF) facility. To the best of our knowledge and based upon information received from our suppliers in response to Intermountain Life Sciences' supplier qualification, our manufacturing processes do not contain, make use of or involve animal components.

Intermountain Life Sciences is also compliant with the EMA/410/01 rev.3 guidance due to our AOF classification and all products are not manufactured with, do not contain, and do not come into contact with any animal-derived materials at any time during production and handling.

Sincerely,

A handwritten signature in blue ink that reads "Michelle Schow". The signature is fluid and cursive, with the first name "Michelle" and last name "Schow" clearly legible.

Michelle Schow

Quality Director
